

IGA Points/Teams

The IGA points criteria recognizes golfers who perform well in IGA, PPGA, USGA and other selected tournaments.

To submit an outside event for IGA Points List consideration, contact the Director, Membership Services and Championship Administration at (208) 342-4442x103. If you are missing points, please contact Vanessa Sinclair at vsinclair@theiga.org.

Eligibility

In order to earn IGA points, players must be amateur golfers who are members of the IGA at the time of the event in which they accrued points. The USGA's definition of an amateur golfer is the standard that IGA uses. Players suspended from IGA competitions are not eligible to earn points.
